

WINE LIST - IN PARMA BY FOOD ROOTS

All our wines come from small producers but there's one that we're really proud of, our LAMBRUSCO, which, since we opened, has always been considered not one of our wines, as in other places, but THE WINE in here. As pioneers of Lambrusco in London we definitely recommend this wine because being high in acidity, matches perfectly In Parma's food speciality: charcuterie and cheese. Different from the white, cheap, sweet white you are used to, ours is red, dry and full of flavour! And as our objective is trying to teach the authentic ways how to consume the products, we serve our Lambrusco ONLY in the traditional bowl, called FOJETA, which sits in front of you. So, in order to live the whole In Parma experience you can't miss the opportunity to taste our Lambrusco and Ham in the AUTHENTIC WAY!
